Defects or History of past illness which should be enquired into if called up for Service .....

Date.....19.....

Initials of M.O. i/c.....

Memorable moments:

- The camaraderie that abounded between all the members
- Living in dormitories
- Seeing my husband in the guard room for the first time for three years. I was told that a sailor was here to see me. I rushed to see who it was and found my husband waiting for me.
